1 Foreword

JC/T 204-2011 was issued by Ministry of Industry and Information Technology on 22 November 2010 and has been in force since 1 March 2011.

It replaces the earlier edition JC/T 204-2001.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the terms and definitions polyurethane grouting material, classification and labeling, General requirements, technical requirements, test methods, inspection rules, signs, packaging, storage and transport. This standard applies to water
