1 Foreword

JC/T 2049-2011 was issued by Ministry of Industry and Information Technology on 20 December 2011 and has been in force since 1 July 2012.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 6 pages in English translation.

2 Scope Preview

This standard specifies the type of bagged cement loading machine, model and basic parameters, technical requirements, test methods, inspection rules and signs, packaging, transport and storage. This standard applies to bagged cement loading machine with a car
