1 Foreword

JC/T 2080-2011 was issued by Ministry of Industry and Information Technology on 20 December 2011 and has been in force since 1 July 2012.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 9 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions wood composite aluminum windows and doors, classification, Code and marking, material requirements, technical requirements, test methods, inspection rules and signs, packaging, transport and storage.
