1 Foreword

JC/T 2168-2023 was issued by Ministry of Industry and Information Technology on 20 December 2023 and has been in force since 1 July 2024.

It replaces the earlier edition JC/T 2168-2013.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the classification, technical requirements, test methods, inspection rules, marking, packaging, transportation and storage of self-cleaning coated glass. This standard applies to self-cleaning coated glass used in buildings and solar cells.
Self-cleaning coated glass used in other fields can refer to this standard.

JC/T 2168-2023 falls under ICS 81.040.30, in the field of glass and ceramics industries.

This catalogue holds 206 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.
