1 Foreword

JC/T 2189-2024 was issued by Ministry of Industry and Information Technology on 24 October 2024 and has been in force since 1 May 2025.

It replaces the earlier edition JC/T 2189-2013.

2 Scope

This standard specifies the marking, technical requirements, test methods, inspection rules, marking, packaging, transportation and storage of redispersible latex powder for building dry-mix mortar. This standard applies to redispersible latex powder for building dry-mix mortar with cement as the main cementitious material.

3 About this standard

Issued by: Ministry of Industry and Information Technology

English translation: about 8 pages

Chinese original: about 12,126 characters

Supersedes the earlier edition JC/T 2189-2013.

4 Classification and status

International classification (ICS): 91.100.10

Chinese Standard Classification (CCS): Q 13

Prefix JC/T: recommended standard.
