1 Foreword

JC/T 2202-2014 was issued by Ministry of Industry and Information Technology on 6 May 2014 and has been in force since 1 October 2014.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This Standard specifies the injection edging glass of terms and definitions, materials, requirements, test methods, inspection rules, packaging, labeling, transportation and storage. This Standard applies to household appliances by injection edging glass,

JC/T 2202-2014 falls under ICS 81.040.30, in the field of glass and ceramics industries.
