1 Foreword

JC/T 2204-2014 was issued by Ministry of Industry and Information Technology on 6 May 2014 and has been in force since 1 October 2014.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 11 pages in English translation.

2 Scope Preview

This Standard specifies the terms and definitions related to cast stone, cast stone varieties, physical and chemical properties, cast stone materials, cast stone production process, cast stone and other aspects of the application. This Standard applies to
