1 Foreword

JC/T 2220-2014 was issued by Ministry of Industry and Information Technology on 6 May 2014 and has been in force since 1 October 2014.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 9 pages in English translation.

2 Scope Preview

This Standard specifies the terms and definitions aluminum T-shaped keel, classification and marking, materials, requirements, test methods, inspection rules as well as packaging, labeling, transportation and storage. This Standard applies to the aluminum
