1 Foreword

JC/T 2238-2014 was issued by Ministry of Industry and Information Technology on 14 October 2014 and has been in force since 1 April 2015.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 6 pages in English translation.

2 Scope Preview

This Standard specifies the terms and definitions of slag powder in the production of cement products as a concrete admixture used to replace part of the cement, purchase requirements, transport and storage as well as Discovery technology requirements. Th
