1 Foreword

JC/T 2259-2014 was issued by Ministry of Industry and Information Technology on 14 October 2014 and has been in force since 1 April 2015.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This Standard specifies the cement industry vertical coal type, model and basic parameters of a sharpened main gear (hereinafter referred to as reducer), requirements, test methods, inspection rules and signs, packaging, transportation and storage. This S
