1 Foreword

JC/T 2278-2014 was issued by Ministry of Industry and Information Technology on 9 July 2014 and has been in force since 1 November 2014.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 9 pages in English translation.

2 Scope Preview

This Standard specifies the process of production of the basic requirements of safety glass, the production process requirements, testing packaging, storage and transportation. This Standard applies to the processing enterprises in the construction and sa

JC/T 2278-2014 falls under ICS 81.040.10, in the field of glass and ceramics industries.

This catalogue holds 206 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.

3 About this standard

Issued by: Ministry of Industry and Information Technology

English translation: about 9 pages
