1 Foreword

JC/T 2293-2014 was issued by Ministry of Industry and Information Technology on 24 December 2014 and has been in force since 1 June 2015.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This Standard specifies the block making machine mold terms and definitions, type, model, and marks, requirements, test methods, inspection rules and signs, packaging, transportation and storage. This Standard applies to block molding machine with mold.
