1 Foreword

JC/T 2299-2014 was issued by Ministry of Industry and Information Technology on 24 December 2014 and has been in force since 1 June 2015.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This Standard specifies the mechanism sand production terms and definitions, general provisions, mining and processing, quality control, storage, utilization and environmental protection. This Standard applies to the construction of mechanisms used for th
