1 Foreword

JC/T 2301-2015 was issued by Ministry of Industry and Information Technology on 14 July 2015.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 18 pages in English translation.

2 Scope Preview

This Standard specifies the cement production enterprise security institutions and personnel management system, safety devices and safety operations, risk operations, major contractors and suppliers of safety management, accident prevention and treatment. This Standard applies to cement enterprises production safety, but does not include mining and external transport, may refer to our overseas business.

JC/T 2301-2015 falls under ICS 13.1, in the field of environment and health protection, safety.

This catalogue holds 17 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.
