1 Foreword

JC/T 2319-2015 was issued by Ministry of Industry and Information Technology on 14 July 2015.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This Standard specifies the cement industry stepping cooler (hereinafter referred to as step-cooler) terms and definitions, type, model, marking and basic parameters, technical requirements, test methods, inspection rules and signs, packaging, transport and storage.
