1 Foreword

JC/T 2321-2015 was issued by Ministry of Industry and Information Technology on 14 July 2015.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This Standard specifies the glass washing and drying machine (hereinafter referred to as washing and drying machines) product classification, model and basic parameters, requirements, test methods, inspection rules and signs, packaging, transportation and
