1 Foreword

JC/T 2323-2015 was issued by Ministry of Industry and Information Technology on 14 July 2015.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 6 pages in English translation.

2 Scope Preview

This Standard specifies the classification, model and basic parameters autoclaved aerated concrete pouring equipment mixer, requirements, test methods, inspection rules and signs, packaging, transportation and storage. This Standard applies to casting mixer (hereinafter
