1 Foreword

JC/T 2352-2016 was issued by Ministry of Industry and Information Technology on 15 January 2016 and has been in force since 1 July 2016.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 9 pages in English translation.

2 Scope Preview

This standard stipulates the organization and personnel for safety production of construction ceramics enterprises, safety basic management, equipment safety, operation safety, safety management of contractors and major suppliers and accident prevention and treatment. This standard applies to the construction of ceramic production enterprises.

JC/T 2352-2016 falls under ICS 13.100, in the field of environment and health protection, safety.

This catalogue holds 17 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.
