1 Foreword

JC/T 2353-2016 was issued by Ministry of Industry and Information Technology on 15 January 2016 and has been in force since 1 July 2016.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 12 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions of the sanitary ware manufacturing enterprises (hereinafter referred to as "enterprises"), the institutions and personnel, the management system, the safety of the equipment and facilities, the safety of the contractors and major suppliers, accident prevention and treatment. This standard applies to enterprises to carry out work safety standardization and standardization of consulting, certification services and accreditation, and other related production enterprises can refer to the implementation.

JC/T 2353-2016 falls under ICS 13.100, in the field of environment and health protection, safety.

This catalogue holds 17 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.
