1 Foreword

JC/T 2385-2016 was issued by Ministry of Industry and Information Technology on 22 October 2016 and has been in force since 1 April 2017.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 5 pages in English translation.

2 Scope Preview

This standard specifies the production requirements, packaging, installation requirements, and maintenance requirements for stone composite board products.

JC/T 2385-2016 is filed under Chinese Standard Classification Q 21, in the field of building materials.

This catalogue holds 931 other JC/T standards without an ICS number.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.

3 About this standard

Issued by: Ministry of Industry and Information Technology

English translation: about 5 pages
