1 Foreword

JC/T 239-2014 was issued by Ministry of Industry and Information Technology on 24 December 2014 and has been in force since 1 June 2015.

It replaces the earlier edition JC 239-2001.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This Standard specifies the terms and definitions of autoclaved fly ash brick, size, grade and marking, materials, technical requirements, test methods, inspection rules and product certification, stacking and transport. This Standard applies to industria
