1 Foreword

JC/T 239-2026 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 1 June 2026 and takes effect on 1 December 2026.

It replaces the earlier edition JC/T 239-2014.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

JC/T 239-2026 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 2,316 other JC/T standards.

Of the 978 JC/T standards that do carry an ICS number, 580 (59%) fall under ICS 91, in the field of construction materials and building.

3 About this standard
