1 Foreword

JC/T 2465-2018 was issued by Ministry of Industry and Information Technology on 30 April 2018 and has been in force since 1 September 2018.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 4 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions, classification, technical requirements, sample preparation, test methods, inspection rules, packaging, marking, transportation, storage and quality certificates of wet refractory materials for cement kiln.

JC/T 2465-2018 falls under ICS 81.080, in the field of glass and ceramics industries.

This catalogue holds 206 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.

3 About this standard

Issued by: Ministry of Industry and Information Technology

English translation: about 4 pages
