1 Foreword

JC/T 2468-2018 was issued by Ministry of Industry and Information Technology on 30 April 2018 and has been in force since 1 September 2018.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 6 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions, classification and marking of cement-based backfill materials, raw materials, requirements, test methods, inspection rules and product certification.
