1 Foreword

JC/T 2480-2018 was issued by Ministry of Industry and Information Technology on 22 October 2018 and has been in force since 1 April 2019.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 11 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions, classification, specifications and markings, raw materials, requirements, test methods, inspection rules and product certification, stacking and transportation of steel frame lightweight concrete composite roof
