1 Foreword

JC/T 2496-2018 was issued by Ministry of Industry and Information Technology on 22 October 2018 and has been in force since 1 April 2019.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 4 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions, general requirements, technical requirements, test methods, inspection rules and marking, packaging, transportation and storage requirements of mildew and water resistant powder. This standard is applicable to
