1 Foreword

JC/T 2497-2018 was issued by Ministry of Industry and Information Technology on 22 October 2018 and has been in force since 1 April 2019.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 4 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions, general requirements, technical requirements, test methods, inspection rules, and packaging, marking, transportation and storage of mold-proof and water-resistant plaster plaster. This standard applies to gypsum
