1 Foreword

JC/T 2532-2019 was issued by Ministry of Industry and Information Technology on 2 August 2019.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 5 pages in English translation.

2 Scope Preview

This standard applies to cement concrete. This standard specifies the general requirements for the safe operation of autoclaves for the production of cement concrete products, inspections before operation, safe operations during operation, precautions after operation,
