1 Foreword

JC/T 2539-2019 was issued by Ministry of Industry and Information Technology on 2 August 2019.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions, classification, code and marking, requirements, test methods, inspection rules, marking, packaging, transportation and storage of metal fences. This standard is applicable to the main structure and the main
