1 Foreword

JC/T 2557-2020 was issued by Ministry of Industry and Information Technology on 16 April 2020 and has been in force since 1 October 2020.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 5 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions, marking, general requirements, technical requirements, test methods and inspection rules of planted concrete. This standard is applicable to concrete used in greening and restoration projects such as slope protection and bank protection.

JC/T 2557-2020 is filed under Chinese Standard Classification Q 13, in the field of building materials.

This catalogue holds 931 other JC/T standards without an ICS number.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.
