1 Foreword

JC/T 2736-2023 was issued by Ministry of Industry and Information Technology on 20 December 2023 and has been in force since 1 July 2024.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 6 pages in English translation.

2 Scope Preview

This standard specifies the classification, codes, and management guidance for fiber composite solid waste. This standard applies to the classification, management and traceability identification of fiber composite solid waste.
