1 Foreword

JC/T 2744-2023 was issued by Ministry of Industry and Information Technology on 20 December 2023 and has been in force since 1 July 2024.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 25 pages in English translation.

2 Scope Preview

This standard stipulates the general principles, terminology and symbols, basic provisions, classification, calculation and source reduction, collection and storage, disposal and utilization, and disposal effect evaluation of comprehensive solid waste disposal at construction sites. This standard applies to the comprehensive disposal of solid waste at the construction site of new construction projects.

JC/T 2744-2023 falls under ICS 13.030.10, in the field of environment and health protection, safety.

This catalogue holds 17 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.
