1 Foreword

JC/T 2761-2023 was issued by Ministry of Industry and Information Technology on 20 December 2023 and has been in force since 1 July 2024.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the classification and labeling of technical requirements for purification performance of decorative purification functional panels, requirements, test methods, test reports and inspection rules. This standard applies to decorative panels that have the function of purifying formaldehyde in the air.

JC/T 2761-2023 is filed under Chinese Standard Classification Q 10, in the field of building materials.

This catalogue holds 931 other JC/T standards without an ICS number.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.
