1 Foreword

JC/T 2769-2024 was issued by Ministry of Industry and Information Technology on 29 March 2024 and has been in force since 1 October 2024.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 6 pages in English translation.

2 Scope Preview

This standard specifies the categories, general requirements, technical requirements, test methods, inspection rules, marking, storage and transportation of iron tailings crushed stone for concrete. This standard is applicable to iron tailings crushed stone for cement
