1 Foreword

JC/T 2772-2024 was issued by Ministry of Industry and Information Technology on 29 March 2024 and has been in force since 1 October 2024.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the classification and specifications, requirements, test methods, inspection rules, marking, storage and transportation of recycled light coarse aggregate from construction waste for concrete. This standard is applicable to recycled light coarse
