1 Foreword

JC/T 2809-2024 was issued by Ministry of Industry and Information Technology on 10 December 2024 and has been in force since 1 July 2025.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the evaluation general principles, evaluation requirements, evaluation methods and procedures, judgments and evaluation reports of green factories in the building door and window industry. This standard applies to the creation and evaluation
