1 Foreword

JC/T 2813-2024 was issued by Ministry of Industry and Information Technology on 10 December 2024 and has been in force since 1 July 2025.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the evaluation index system and requirements, evaluation methods and procedures, and judgments for water-saving enterprises in the cement products industry. This standard is applicable to the creation and evaluation of water-saving enterprises in cement products production enterprises.

JC/T 2813-2024 falls under ICS 03.100.50, in the field of services and company organization.

This catalogue holds 3 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.
