1 Foreword

JC/T 2817-2024 was issued by Ministry of Industry and Information Technology on 10 December 2024 and has been in force since 1 July 2025.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the general principles, energy-saving diagnosis content and requirements and energy-saving diagnosis reports of flat glass production enterprises. This standard is applicable to the implementation of energy-saving diagnosis for flat glass production enterprises, and other glass production enterprises can refer to it.

JC/T 2817-2024 falls under ICS 81.040.01, in the field of glass and ceramics industries.

This catalogue holds 206 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.

3 About this standard

Sector: Building Materials Industry Standard (Recommended)
