1 Foreword

JC/T 2862-2024 was issued by Ministry of Industry and Information Technology on 24 October 2024 and has been in force since 1 May 2025.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 9 pages in English translation.

2 Scope Preview

This standard specifies the composition and basic parameters, technical requirements, safety and environmental protection, installation acceptance and commissioning, performance testing and delivery documents of complete sets of equipment for bulk cement
