1 Foreword

JC/T 2869-2025 was issued by Ministry of Industry and Information Technology on 10 April 2025 and has been in force since 1 November 2025.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the classification and marking, raw materials, requirements, test methods, inspection rules, marking, packaging, transportation, and storage of ultraviolet (UV) cured decorative panels for building applications. This document applies to UV-cured
