1 Foreword

JC/T 2893-2025 was issued by Ministry of Industry and Information Technology on 10 April 2025 and has been in force since 1 November 2025.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 5 pages in English translation.

2 Scope Preview

This standard specifies the recycling requirements, grading of recycled materials, performance evaluation methods for recycled materials, packaging, transportation, and storage, as well as quality assurance for wood-plastic composites. This document applies to
