1 Foreword

JC/T 2916-2025 was issued by Ministry of Industry and Information Technology on 19 August 2025 and has been in force since 1 March 2026.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 16 pages in English translation.

2 Scope Preview

This standard specifies the classification, composition, models and basic parameters, requirements, test methods, inspection rules, marking, packaging, transportation and storage of ceramic brick (slab) placing machines. This document applies to the design,
