1 Foreword

JC/T 2921-2025 was issued by Ministry of Industry and Information Technology on 19 August 2025 and has been in force since 1 March 2026.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the classification, requirements, test methods, inspection rules, packaging, marking, transportation, and storage of chemically tempered glass protective films for screens. This document applies to protective films bonded to mobile phone surfaces; other display screen surface protective films can refer to this document.

JC/T 2921-2025 falls under ICS 81.040.30, in the field of glass and ceramics industries.

This catalogue holds 206 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.

3 About this standard
