1 Foreword

JC/T 336-2014 was issued by Ministry of Industry and Information Technology on 14 October 2014 and has been in force since 1 April 2015.

It replaces the earlier edition JC/T 336-2006, JC/T 336-1991.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This Standard specifies the cement industry with reciprocating grate cooler (hereinafter referred Cooler) product classification, technical requirements, test methods, inspection rules and signs, packaging, transportation and storage. This Standard applie
