1 Foreword

JC/T 568-2023 was issued by Ministry of Industry and Information Technology on 20 December 2023 and has been in force since 1 July 2024.

2 Scope

This standard specifies the classification, specifications and markings, raw materials, technical requirements, test methods, inspection rules, packaging, marking, transportation and storage of magnesium oxychloride cement plates. This standard applies to the magnesium oxychloride cement plate, which is mainly used for indoor magnesium oxychloride cement decorative boards and base materials in industrial and civil buildings.

3 About this standard

Issued by: Ministry of Industry and Information Technology

English translation: about 11 pages

Chinese original: about 17,160 characters
