1 Foreword

JC/T 574-2023 was issued by Ministry of Industry and Information Technology on 20 December 2023 and has been in force since 1 July 2024.

2 Scope

This standard specifies the classification and labeling, requirements, test methods, inspection rules, marking, packaging, transportation and storage of sepiolite products. This standard applies to drilling mud, oil decolorization, architectural coatings, purification materials and general industrial sepiolite products. Sepiolite products for other uses can also be adopted by reference.

3 About this standard
