1 Foreword

JC/T 60018-2023 was issued by Ministry of Industry and Information Technology on 28 July 2023 and has been in force since 1 February 2024.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 23 pages in English translation.

2 Scope Preview

This standard specifies the terminology, basic regulations, curing materials, curing technology, curing monitoring and effect evaluation of cast-in-place concrete. This standard applies to external maintenance techniques adopted for cast-in-situ concrete structures.

JC/T 60018-2023 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 1,909 other JC/T standards.

Of the 978 JC/T standards that do carry an ICS number, 580 (59%) fall under ICS 91, in the field of construction materials and building.

3 About this standard
