1 Foreword

JC/T 60023-2024 was issued by Ministry of Industry and Information Technology on 5 July 2024.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 28 pages in English translation.

2 Scope Preview

This standard specifies the materials, design and construction, construction, quality acceptance and other requirements for the use of gypsum strips as non-load-bearing internal partition wall projects
