1 Foreword

JC/T 60031-2025 was issued by Ministry of Industry and Information Technology on 2 July 2025 and has been in force since 1 February 2026.

It replaces the earlier edition JC/T 534-1994.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the general principles, terminology, basic provisions, materials, structural design, construction, quality inspection and acceptance of sound insulation mortar application technology. This document applies to the design, construction and quality acceptance of impact sound insulation projects for floor slabs in newly built, expanded, and renovated civil buildings.

JC/T 60031-2025 falls under ICS 55.08, in the field of packaging and distribution of goods.

This catalogue holds 1 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.
