1 Foreword

JC/T 629-2011 was issued by Ministry of Industry and Information Technology on 20 December 2011 and has been in force since 1 July 2012.

It replaces the earlier edition JC/T 629-1996.

2 Scope

This standard specifies the use of prestressed concrete rectangle rural construction purlins (hereinafter referred to as purlins, LT) classification, specifications and markers, raw materials, technical requirements, test methods, inspection rules, product certification and logo, storage and transportation. This standard applies to rural housing construction in prestressed concrete rectangular purlins.
